BECOME A FRIEND OF YOUR LIBRARY TODAY

The Friends of the Pamlico County Public Library (FOL) was founded over 30 years ago to support library programs and encourage literacy for county residents. To this end, the FOL has used your membership dollars to:

- partially fund and support the Book/Techmobile that reaches remote areas of the county
- support the Summer Reading Programs for children and teens
- provide scholarships for higher education to a high school student
- provide additional library books, materials, and programming not covered by the library's budget

In the past, the FOL also paid for the handicapped accessible doors at our new library, as well as the transportation and set-up costs of the Book Nook (book storage unit). **Your support is more critical than ever as we complete some of the outstanding items related to our new library such as the back-up generator and landscaping (the adult and children's gardens).**

Please renew your membership or become a new member of the Friends of the Pamlico County Public Library by returning the enclosed form.
